

Capital Transmission invests in Dovidà

Dovidà is a Swiss-based international provider of non-medical home care services. Founded in 2007, the company employs over 12'000 professionals dedicated to helping people live independently in their own homes. Dovidà operates more than 70 branches across Switzerland, Ireland, Australia, and the Netherlands.

Capital Transmission has invested in Dovidà alongside Ardian, Verium, and the management team.

About Capital Transmission

Capital Transmission SA is an investment company founded in 2008 and subsidiary of the BCGE group.

Our objective is to provide financial support to companies and entrepreneurs via equity and quasi-equity contributions ranging from 2 to 15m CHF. Based on a balanced risk and long-term approach Capital Transmission invests in mature companies with sound profitability and a talented management in place.

With a presence in both Geneva and Zürich, we focus on Switzerland and Europe. The companies we invest in usually generate sales between 5-100m CHF. Thanks to our structure, we can provide tailored-made financing solutions to support growth initiatives (build-ups, expansion etc.).

We are used to work with family-owned businesses and have established ourselves in the past ten years as the go-to partner in terms of succession solutions for family businesses, spin-offs, MBI, MBO and OBO.

Capital Transmission builds a trusting relationship with the company's management and does not interfere in the day-to-day business.
